

Administration and scoring training for teachers: Online course

This document provides information about content and preparation for the mCLASS Express Administration and scoring course for teachers.

Description

This course will prepare teachers to administer the mCLASS Express assessment. Upon successful completion of this course, teachers will be ready to leverage mCLASS reports and lessons to accelerate data-driven student outcomes.

The course includes five self-paced modules and will take approximately 2 hours to complete. To successfully pass the course and generate a certificate of completion, learners must achieve a minimum score of 80% on the check for understanding questions and visit 80% of the course pages. Learners will be able to access and revisit this course as needed for up to one year.

Objectives

Upon completion of this course, learners will be able to:

- Explain how mCLASS Express assesses decoding, oral reading fluency, accuracy, and comprehension.
- Administer and score your mCLASS assessment measures according to standardized guidelines.

Preparation

Learners will need an appropriate device and username and password to access Amplify.
