# Chemical Formula

# Chocolate

## **First four lines from** **“When I Heard the Learn’d Astronomer”**

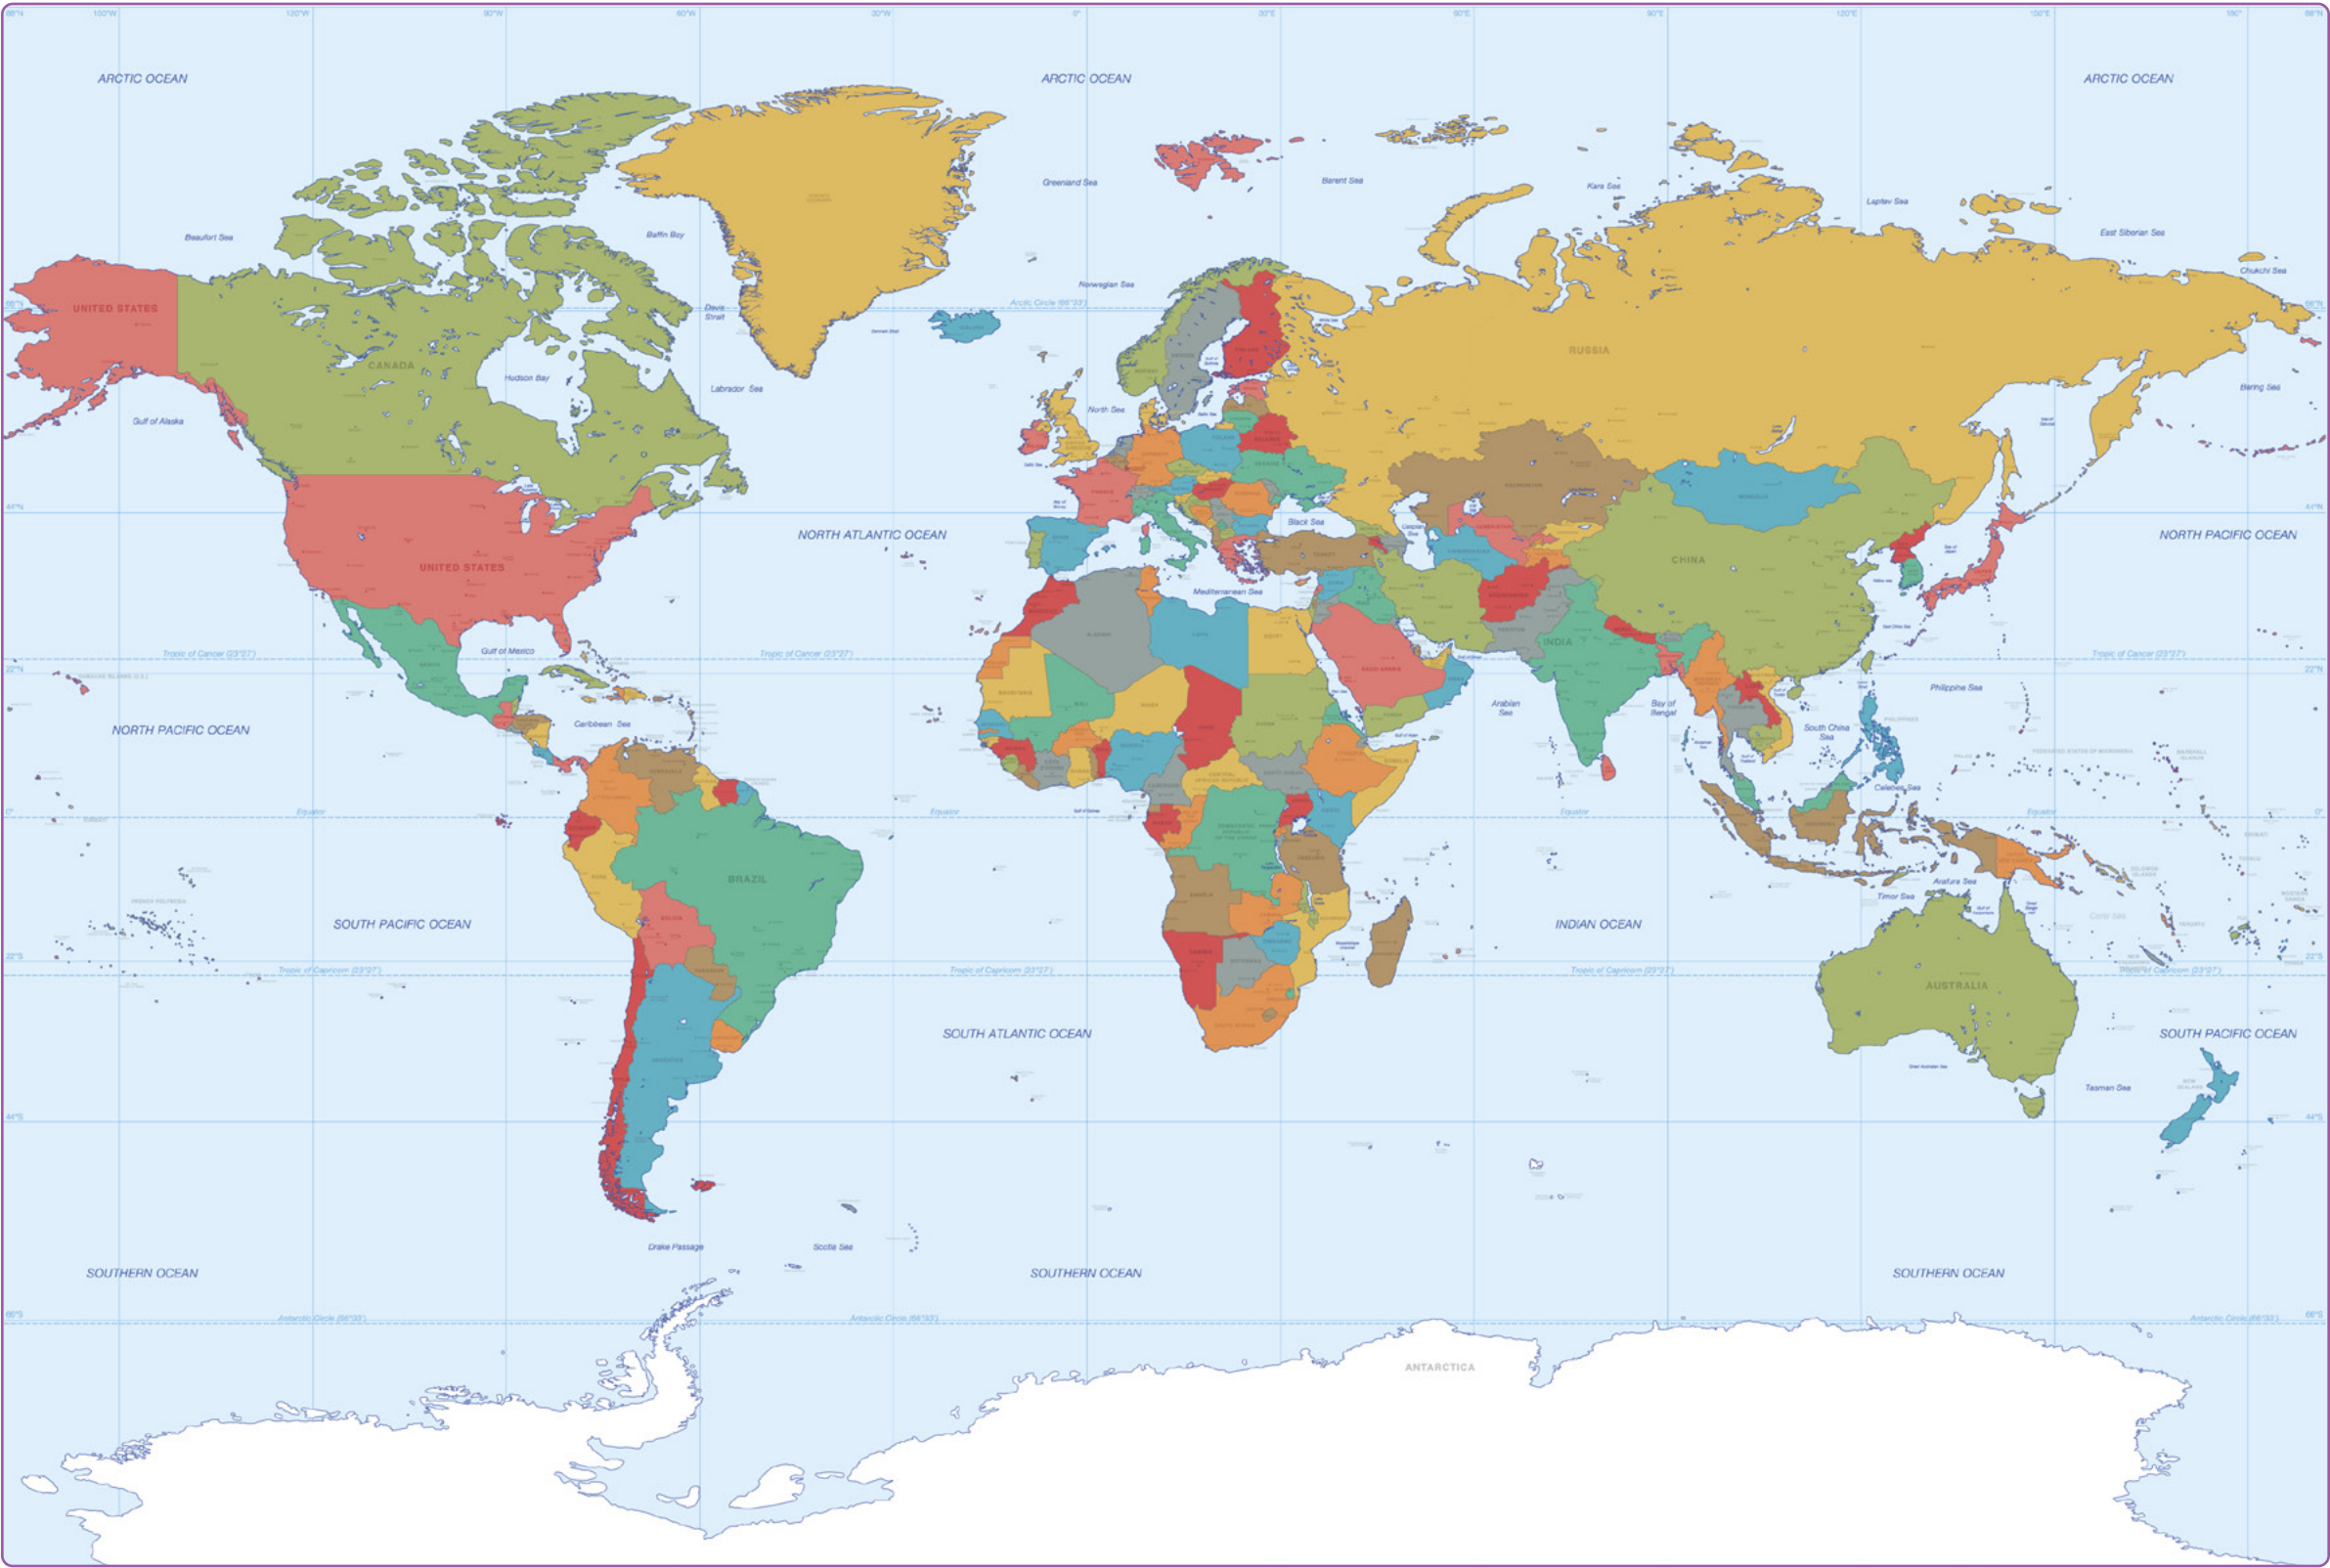

- 1** When I heard the learn’d astronomer,
- 2** When the proofs, the figures, were ranged in columns  
before me,
- 3** When I was shown the charts and diagrams, to add, divide,  
and measure them,
- 4** When I sitting heard the astronomer where he lectured with  
much applause in the lecture-room,

## **Full text of “When I Heard the Learn’d Astronomer”**

- 1 When I heard the learn’d astronomer,
- 2 When the proofs, the figures, were ranged in columns  
before me,
- 3 When I was shown the charts and diagrams, to add, divide,  
and measure them,
- 4 When I sitting heard the astronomer where he lectured with  
much applause in the lecture-room,
- 5 How soon unaccountable I became tired and sick,
- 6 Till rising and gliding out I wander’d off by myself,
- 7 In the mystical moist night-air, and from time to time,
- 8 Look’d up in perfect silence at the stars.
