

Capture Squares

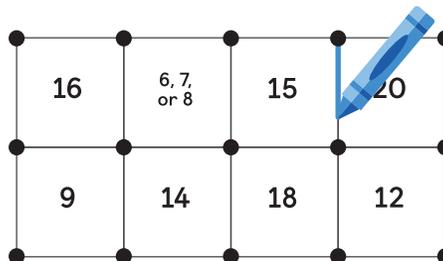

Add Within 20

1

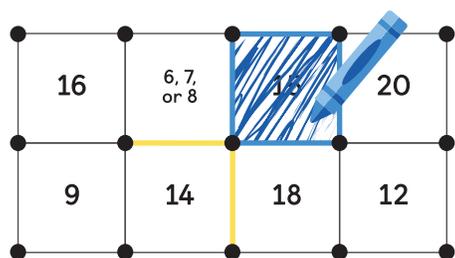

Spin the Spinner and draw 1 Number Card. Find the sum.

2

Draw 1 line connecting any 2 dots around the sum.

3

If you complete a square, shade the box with your color.

4

Take turns. The first player to shade 3 boxes wins.

Let's add within 20.

Pairs 

You'll need . . .

2 crayons or colored pencils
