

Administration and reporting training: Online course

This document provides information about content and preparation for the Louisiana K-3 Literacy Screener Administration and reporting training for leaders.

Description

This course prepares leaders to utilize the assessment and reporting features available in the Louisiana K-3 Literacy Screener. Upon successful completion of this course, leaders will be ready to review key data and reports that drive decision-making and levers for impacting student achievement.

The course includes nine self-paced modules and will take approximately 4 hours to complete. To successfully pass the course and generate a certificate of completion, learners must achieve a minimum score of 80% on the check for understanding questions and visit 80% of the course pages. Learners will be able to access and revisit this course as needed for up to one year.

Objectives

Upon completion of this course, learners will be able to:

- Explain how DIBELS 8th Edition assesses the basic early literacy skills required for students to become proficient readers.
- Describe how mCLASS enhances your school or district literacy framework.
- Determine systems-level actions that will ensure assessment fidelity at your school site(s).
- Identify the reports and instructional tools mCLASS provides educators.
