

## Summary 4.18

We can **save** money or **spend** money. When you spend money, you have less. You can save money to buy things you want in the future.

**saving** Keeping money to buy goods or services in the future.

**spending** Using money to buy goods or services.

## Practice 4.18

Choose from these Centers.

Two-Digit Numbers

For Problems 1-4, circle to show if the money in each sentence is being *spent*.

- 1 Clare buys a new tube of slime at the store.

- 2 Han gives a friend a new keychain for their backpack.

- 3 Diego picks out a new pair of shoes and buys them.

- 4 Priya waits to get a new book because she does not have enough money yet.

## Spiral Review

For Problems 5-12, find the sum or difference.

5  $2 + 5 = \underline{7}$

6  $1 + 7 = \underline{8}$

7  $4 + 4 = \underline{8}$

8  $5 + 1 = \underline{6}$

9  $2 - 0 = \underline{2}$

10  $6 - 4 = \underline{2}$

11  $9 - 5 = \underline{4}$

12  $7 - 6 = \underline{1}$

13 Circle 4 expressions that equal 10.

$7 + 3$

$10 - 5$

$2 - 8$

$4 + 6$

$17 - 7$

$9 + 0$

14 Circle 4 equations that show equal values on both sides

$1 + 0 = 10$

$9 + 1 = 1 + 9$

$8 = 3 + 5$

$6 - 3 = 2 + 1$

$7 = 7 + 1$

$8 - 1 = 5 + 2$
