Administration and reporting training for leaders

mCLASS

with DIBELS® 8th Edition and TRC

Agenda	Objectives
Introduction	**By the end of this session, participants will be able to:**
Assessment measures • Teacher-administered assessments • Student online assessments	• Explain how DIBELS 8th Edition assesses the basic early literacy skills required for students to become proficient readers.
Before assessment administration • Data collection • Online assessment management • Scheduling	• Describe how mCLASS enhances their school or district literacy framework. • Determine systems-level actions that will ensure assessment fidelity at their school site(s).
During assessment administration • Maintain standardized administration • Monitor assessment completion • Provide support	• Select reporting parameters to generate the reports you need to make data-informed decisions.
After assessment administration • Classroom reporting • Admin reporting • Progress monitoring	• Identify the reports and instructional tools mCLASS provides educators.
