

# Capture Squares

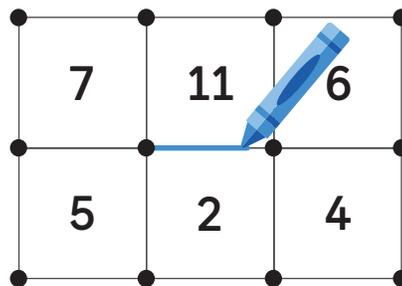

Add Within 10

1

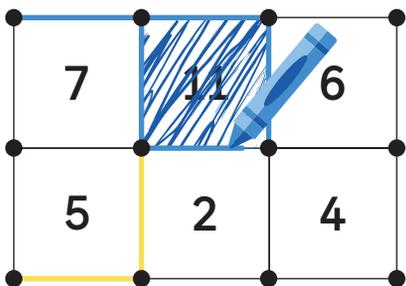

Roll 2 number cubes.  
Find the sum.

2

Draw 1 line connecting  
any 2 dots around  
the sum.

3

If you complete a  
square, shade the  
box with your color.

4

Take turns. The first  
player to shade  
3 boxes wins.

Let's add within 10.
