# Getting started for teachers: Online course

**Boost** Reading +

This document provides information about content and preparation for the Boost Reading+  Getting started for teachers online course

## Description

This course will guide you through the essentials of Boost Reading+, including program structure and navigation. Upon successful completion of this course, you will be ready to roll out Boost Reading+ with your students and begin driving student outcomes in your classroom.

The course includes seven self-paced modules and will take approximately 2 hours to complete. To successfully pass the course and generate a certificate of completion, learners must achieve a minimum score of 80% on the check for understanding questions and visit 80% of the course pages. Learners will be able to access and revisit this course as needed for up to one year.

## Objectives

Upon completion of this course, learners will be able to:

- Navigate Boost Reading+
- Describe what  instruction looks like in Boost Reading+
- Prepare to use Boost Reading+
- Build a deeper understanding of how Boost Reading+ tools and resources fit alongside your core literacy instruction

## Preparation

Learners will need an appropriate device and username and password to access Amplify.

- Learn more about device requirements.

- If learners log in with Amplify credentials, reference the Amplify Getting Started help article.

If you have any other technical questions related to getting started, contact our Customer Care and Support team at help@amplify.com or (800) 823-1969.

# Course content
