**Notice and Disclaimer:** The agency has developed these learning resources as a contingency option for school districts. These are optional resources intended to assist in the delivery of instructional materials in this time of public health crisis. Feedback will be gathered from educators and organizations across the state and will inform the continuous improvement of subsequent units and editions. School districts and charter schools retain the responsibility to educate their students and should consult with their legal counsel regarding compliance with applicable legal and constitutional requirements and prohibitions.

Given the timeline for development, errors are to be expected. If you find an error, please email us at [texashomelearning@tea.texas.gov](mailto:texashomelearning@tea.texas.gov).

## **Introducción al Rotafolio de imágenes**

Este Rotafolio contiene imágenes que acompañan la Guía del maestro de *Plantas: ¿cómo crecen?* Las imágenes se presentan en orden secuencial. Cada imagen lleva el número de lección, la letra de la lectura en voz alta correspondiente (A o B) y el número de la imagen en el contexto de la lectura en voz alta. Por ejemplo, la primera imagen de la lectura en voz alta 1A lleva el número 1A-1. Una vez que llegue a la última página, deberá dar vuelta el Rotafolio entero para ver la segunda mitad de las imágenes.

Según la disposición de su salón de clase, puede que sea necesario que los estudiantes se sienten más cerca del Rotafolio para ver las imágenes más claramente.
